

## ENVIRONMENTAL DOCUMENTS FOR REVIEW

SAN LUIS OBISPO COUNTY DEPARTMENT OF PLANNING AND BUILDING

976 OSOS STREET • ROOM 200 • SAN LUIS OBISPO • CALIFORNIA 93408 • (805) 781-5600

*Promoting the Wise Use of Land • Helping to Build Great Communities*

### WEEKLY REPORT OF ENVIRONMENTAL DOCUMENTS AVAILABLE FOR REVIEW

The purpose of the environmental review process is to provide information about the environmental effects of the actions and decisions made by the County, so that environmental considerations become a part of the decision making process. The following is a summary of the most recent determinations made by the County's Environmental Coordinator. The purpose of this listing is to notify the public of pending actions, which may affect the environment of San Luis Obispo County.

You are invited to participate in this process by reviewing and providing comments on the recommendations of the Environmental Coordinator. Your comments should be in writing and should be delivered to: **Ellen Carroll, Environmental Coordinator, Department of Planning and Building, 976 Osos Street, Room 300, San Luis Obispo, Ca 93408-2040.** For more information about the environmental review process, please write to the address above, call the Environmental Division of the Department of Planning and Building at (805) 781-5600, or review information on our website which is [www.sloplanning.org](http://www.sloplanning.org).

### Proposed Negative Declarations

A Negative Declaration is issued for projects that would not result in significant effects on the environment. In many cases, the project applicant has added mitigation measures to the project to reduce environmental impacts in order to qualify for a Negative Declaration. If you disagree with the issuance of a proposed Negative Declaration, you may provide comments or file a Request for Review (appeal) of the Negative Declaration. Requests for Review must be filed within two weeks of the date that the proposed Negative Declaration is posted and must address only environmental issues. There is a fee for the request. If you would like more information about this process, please contact the Environmental Coordinator.

### For Week of January 28, 2010

#### San Luis Obispo Area

AT&T Wireless Minor Use Permit. Request by the County of San Luis Obispo Department of General Services and AT&T Wireless to allow the construction and operation of an unmanned wireless communications facility consisting of: a) six (6) panel antennas located within two (2) 6' -1" tall radio frequency transparent "radome" cylinders on two (2) 80' high replacement sport's field light standards; b) ground-mounted equipment cabinets within a new 400 square-foot building; and c) associated utility trenching. The project will result in approximately 1,000 square feet of ground disturbance on an approximately 710-acre parcel. The project site is within the Recreation land use category and is located at the easternmost baseball fields at El Chorro Regional Park, on the east side of Highway 1, approximately 3 miles north of the city of San Luis Obispo. The site is in the Rural San Luis Obispo planning area. ED09-135 (DRC2008-00108)

#### Cambria Area

County of San Luis Obispo Minor Use Permit. Request by County Public Works to replace the functionally obsolete Main Street Bridge with a new bridge on a parallel alignment. The new bridge construction will involve: construction of a new 37.5-foot wide and 150-foot long cast-in-place prestressed concrete bridge, realignment of Main St. to upstream side of existing bridge, realignment of the Main St. /Santa Rosa Creek Rd. intersection including construction of acceleration and deceleration tapers, creek work including diversion or dewatering and placement of rip-rap on banks, and demolition and removal of the existing bridge structure. The project will result in the disturbance of a 5.5 acre area, and is located in the Agriculture, Residential Multi-Family and Public Facilities land use categories. The project site is located within the County right-of-way directly east of the Main Street/ Santa Rosa Creek Road intersection in the community of Cambria. ED00-168 (DRC2009-00041)
